Rich Egleston presented minutes from the July 15th meeting along with minutes from the September 16th meeting for approval. *Rich Wise motioned to approve both sets of minutes. Motion carried unanimously.*

Scott Doepker presented financial statements current through September 30, 2010. Michele Miller motioned to accept the financials as presented. Motion carried unanimously. Scott also mentioned that the spirit wear has all been reconciled and invoiced have been paid. There are a few refunds owed and the next financial report will contain the final numbers for 2010. A point to consider for next season is improving the whole process with better documentation.

Ed Hauenstein reported that he would be stepping down as Flag Football Director for the 2011 season to move into coaching a tackle team. Ed has appointed Mike Swinehart as his successor.

The next booster meeting will be held on Thursday, November 11, 2010 at 7:00pm in Room B. We also will have the room on December 16th as well for any final meetings needed to wrap up 2010. For the 2011 season, general booster meetings will be held on the second Monday of each month. We will book for the whole year starting in January and ending in December. Rich Egleston will complete this with library officials.

Rich also mentioned he was contacted by the WHS yearbook staff to see if WYF would be interested in placing an ad in the 2011 edition. The group largely agreed not to pursue...no motion or vote took place.

Alan Baughman reported that the Wadsworth Youth Football Association and the Suburban Youth Football League will merge for the 2011 season. There will be more details forthcoming but all WYF directors agree this is a positive step for not only Wadsworth but for all. The new league will be named The All Ohio Youth Football Association and will have some 16 programs participating.

JV and Varsity equipment hand in will be Monday, November 1st and Tuesday, November 6th from 5:30 to 6:30 at 57/76 Storage.

Scott Doepker motioned that we should sell the old refrigerator, stove and soda cooler and possible the commercial freezer if we cannot make it suit our needs. Motion passed with unanimous vote. Rich Egleston will execute.

Awards day is set for November 6th and Stephanie will verify our presence with WMS officials.

Catina reported that we have nearly 60 memory books sold but we need at least 75 to run the order. We will be prepared to take orders at the awards day celebration. We also need more pictures from most of the teams...candid photos.
